DATE: THURSDAY, 7TH MARCH 2024

It is with pleasure that I welcome the members of the National Youth Council of Nigeria to the Ministry of Housing and Urban Development.

Your visit today is not merely a courtesy call but a testament to the vibrant spirit and commitment of Nigerian youth towards the betterment of our nation.

The National Youth Council of Nigeria holds a special place in the heart of our country, and the administration of His Excellency, President Bola Ahmed Tinubu, GCFR, serving as a beacon of hope and opportunity for our young citizens.

Your dedication to promoting the interests and welfare of Nigerian youth is commendable, and your efforts in providing platforms for them to voice their concerns, develop their skills, and contribute to national development are truly inspiring.

As the Honorable Minister of Housing and Urban Development, I am acutely aware of the challenges facing our youth, particularly in accessing affordable housing and securing sustainable livelihoods in urban areas.

Rest assured, your concerns are not overlooked, and your voices will be heard. That is why I am pleased to say that the Ministry of Housing and Urban Development is committed to ensuring that our youth have the opportunity to participate in the Renewed Hope Cities and Estates Programme and the affordable housing programs that are being championed by the agencies under our supervision including the Federal Mortgage Bank of Nigeria and the Federal Housing Authority.

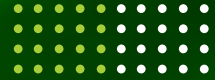

I would like to encourage the youth through your Council to participate actively in the National Housing Fund Scheme so they can benefit from the affordable housing products that FMBN offers. This includes the individual construction loan, NHF Loan and to also organize themselves into cooperatives so they can use the Cooperative Development Housing Loan to build houses for members.

We recognize that housing is not just a basic need but a fundamental human right, and it is essential that our youth have access to decent and affordable housing options.

Through our programs, we aim to provide affordable housing solutions that cater to the needs of young Nigerians, whether they are first-time homebuyers, renters, or aspiring entrepreneurs looking to invest in affordable housing developments.

Once again, I want to commend the National Youth Council of Nigeria for its tireless efforts in championing the cause of our youth and for being a catalyst for positive change in our society. Your energy, enthusiasm, and passion are the driving forces behind our nation's progress.
